REMARKS/ARGUMENTS

Reconsideration of this application is respectfully requested.

In response to the rejection of claim 6 under 35 U.S.C. §112, the claim dependency has been corrected so as to depend from claim 3.

In response to the formality-based objections to claims 12 and 17, the amendments suggested by the Examiner have been effected above.

Accordingly, this entire application is now believed to be in allowable condition, and a formal notice to that effect is earnestly solicited.

Respectfully submitted,

NIXON & VANDERHYE P.C.
